

Club News

Hello fellow petrol heads

I have thought for some time it would be nice to have all club news and information in one place rather than lots of different face book accounts so going forward I will be looking at sending out club information via email to all members new and old just a modern version of the old club magazines without having to use the old banda copiers (only old club people like me will remember the banda copier).

It won't be the complete end of the face book accounts as they are good for instant messages at times but hopefully club news can be used more for general information for the members to keep you all up to date with things like what your committee is spending your money on, social events Race meeting dates etc.

AGM

The AGM finally took place after the Covid delays I don't think I need to go into any details but to say the meeting was well attended and the true beating heart of this club was in full flow.

We have had a couple of changes on committee with a couple of new faces standing for the first time and an old face from the past returning (me) it is also great to see a good mix of male and female members on the committee

Here is a list of your new 2021 Committee

Forth coming Events

Kart racing at the track Sunday 23rd May 10.00 am start

This should see some great action with almost a full grid of seniors racing

If you have not seen a kart meeting for a long time try & get down for a look I'm sure the sparks will be flying you will also have time to get back home for the Monaco GP.

Hill Climb Drivers Meeting Tuesday 25th May @ L'ancrese Golf Club

If you are driving, please turn up or advise a Committee member that you are unable to make it

Hill Climb Val des Tarres Monday 31st May 9.00am start

If the first two car club hills are anything to go by this should see some fantastic action. Fingers crossed the weather is kind for us.

Trophy Presentation Night

I am looking into this at the moment as I feel this is well over due. The dates I have at the moment is the 11th or 25th June so not far away.

The format will be the presentation of the silverware from last season followed by a good old fashioned kart club knees up with a live band.

I have a venue I am just waiting for confirmation from the band before more details will be circulated

Sign Off

Good Luck to all the riders and drivers taking part in the karting on Sunday and Hill climb on bank holiday Monday.

Remember drive fast stay safe but most important make sure you all have Fun
