Covid Update - Please Read

Due to the recent change in boarder controls the club will no longer require people that have travelled outside of the bailiwick to produce a negative test result 48 hrs before attending club events.

Vazon Sprint August 7th

Unfortunately, this event was unable to commence on the day due to high wind at the finish, mixed with heavy rain.

Under the supplementary regulations if the meeting has not started 50% of the entry gets returned to the competitor, the other 50% is retained by the club.

This may seem harsh to some, but these events are very expensive to put on and the club still has to pay for the road closures, ambulance services, paramedic services etc for the day, even if the event does not take place.

Hill Climb August 14th

What a great day, with some stunning driving and riding that saw many records and PBs broken, with Nick Saunders taking a big chunk off his own class record and becoming the fastest person ever up the Terres at a Kart Club Event, which takes him in touching distance of the outright hill record

A huge thank you to all the marshals, helpers and officials that made this such a good day

Articles Of Incorporation

These are now finished and with the committee members for comment, before we call an EGM. Due to this being such a busy time in the club calendar, the EGM will not be called until October / November when the season has calmed down a bit.

The EGM is for the purpose to discuss and approve 'The Articles of Association' and to discuss and approve 'an indefinite account audit waiver' which has been recommended by the Guernsey Registry. Only fully paid 2021 members will be invited to attend.

Driver's meetings

We will not be holding a pre-event drivers meeting for the Vazon sprint

Alderney 16th 17th 18th September

This event celebrates its 30th birthday this year and it would be great to see as many people up there as possible competitors and spectators

This is a great 3 day race weekend that always provides some great racing ending with a presentation and kart club party in the Chez on the Saturday night from 20.45pm till late.

Please Note - In the last news letter, I put down the wrong closing date for this event it should have been **31st August** and not the 14th, entries are going well but there is room to take some more, so if you intend to race please get your entries in ASAP. An entry is not an entry unless it has been paid for.

Vazon Sprint 4th September

We currently only appear to have 6 entries for this event, we need 50 for this event to go ahead.

Entries close this coming **Saturday, 21st August**

We are intending on running a "run what you brung" class for bikes at this event, unfortunately under MSUK regulations this is not possible for cars or Karts.

If we do not have enough entries by the end of the closing date we will cancel this event and return entry fees to those entered.

Forth coming Events for September

On behalf of the club, I would like to thank Jason for all the time, effort and work he has put into the marshal book over the years
