SPEED EVENTS 2022

As promised in the last club news here is a copy of our speed dates for the 2022 season. All the dates have now been agreed by the relevant Douzaine and Suze has now applied for the permits to close the roads.

You will see that the date for Petit Bot has moved to the start of the season, we are hoping this might allow some of the rally drivers the chance to take part as the October date is always very close to the Jersey rally. We might even get better weather in March as the last event was a little damp to say the least

The Alderney dates are provisional at the moment they are being discussed at the Alderney states meeting in December.

New Club Website

This is well under way and still on target to be ready for the start of the 2022 season. The new site will be a one stop shop for everything Kart club (memberships, entries, booking marshal duties, general club information and payment system) so we are looking forward to this as it will take a lot of the admin work off of your committee.

Dinner & Dance 29th January

The annual dinner and dance will be back again at St Pierre Park on January 29th 2022. We are currently sorting out the menus and these will be sent out in due course.

We are changing the format very slightly, we will still have the meal followed by the chance to celebrate the achievements of our fellow racers during the presentation, but the formal toasts will be missing from the evening this will then give us time to let our hair down and enjoy live music from a great local group 'The Liberators'.

Forth coming Events

- Moto X 20th November 10.00am start
- Moto X 4th December 10.00am start
- Karting 5th December 10.00am start
- Annual dinner St Pierre Park 29th January
- AGM Vale Douzaine room 16th February
